

ABOUT

Curious. I am always craving new experiences, willing to step out of my comfort zone and explore. Exposed to various leadership roles, I enjoy pushing my creative boundaries to collaborate and discover my love for fashion. I have always embraced my unique sense of style and have been committed to honing my skills as an artist. Although inclined to fashion, it is not my only strong suit. I have always been a multifaceted personality, with a keenness to pursue numerous passions, helping me sharpen my creative, collaborative and leadership skills. To build myself as a well-rounded member of the fashion industry today, I also have been developing my skills in business and marketing.
